From the East

Greetings Ladies and Brethren,

It's the last quarter of the year and the officers for 2023 are preferring themselves in their advance stations especially the senior officers. This month of September we are going to start collecting toys for "Toys for Tots" collection boxes will be out starting at September Stated Meeting until December Stated Meeting. All toys should be new and unwrapped. Though we encourage everyone to purchase a toy, financial contributions are acceptable. Make Checks payable to Toys for Tots. Let us support all good masonic charity programs, Mason4Mitts, Toys for Tots, and others, Lets continue showing Brotherly love.

"Brotherly Love" Next to the word Mother or Father, no word in the English language is

more meaningful than the word Brother, whether it be a military "band of brothers", "brothers in blue" or Brothers in Freemasonry. It elicits feelings from above, and it reaches to the deep places of the heart. It is religion on its human side; and in it lies the hope of humanity.

When used Masonically, the word Brother has a depth and tenderness all its own. It is unique and beautiful beyond words. It tells of a tie, mystical but mighty, which Masonry spins and weaves from man to man, which no one can define, and few can resist. In time of sorrow, it is a tether of sympathy and a link of loyalty. No other word has a finer import or an ample echo, expressive of the highest relationship in which dignity and devotion unite. If we are really Brothers, all the rest may go by the board, save for sake of ceremony.

What does the word Brother mean, Masonically? It means the adoption of a man into an inner circle of friendship, by a moral and spiritual tie as close and binding as the tie of common birth and blood between two brothers in a family. We will support our brother behind his back as well as to his face. We will give him a helping hand at every opportunity, and we will not erect obstacles but create bridges for his success and therefore

our own. The Happy and Beneficial Effects of our Ancient and Honorable Institution.

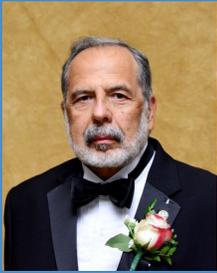

Still, no man is perfect; but the Lodge is a moral workshop in which the rough Ashlar is to be polished for use and beauty. If the Lodge had been too exacting, none of us would have gained admission. We must live together in the Lodge, as elsewhere, by Faith, Hope and Charity or else Masonry will be a failure. What is their significance? What do they have to do with Masonry?

In our monitorial work we are taught that the Rough Ashlar "is a stone as taken from the quarry in its flawed and natural state" and that the Perfect Ashlar "is a stone made ready by the hands of the skilled craftsman; adjusted by the working tools of the Craft."

So, it is with our brothers. They were not merely picked but were selected. Before they were ready to be initiated some work was done upon them. They must stand certain basic tests. They must be apparently of good material. They must be a man who shows good prospects of being capable of being made into a good Mason. If he had not been a good man, he would never have been proposed

Brothers and sisters,

As we enter the fourth quarter of this Masonic year and the students in our lives begin their fall term, I send you greetings from the West.

Two activities which occurred during our August 3rd stated meeting merit mention. During the stated meeting dinner, WB Richard J. Modolo described the Masons4Mitts program, highlighted the benefits this program has on the community, and asked those present to contribute to the Masons4Mitts program. Those present contributed to this program, and during the stated business meeting, lodge members resolved to add one thousand dollars to the donations already received. Please visit <https://masonicfoundation.org/masons4mitts/> for more information on this program.

Prior to the start of the business portion of the stated meeting,

brother William Nichols presented himself to those present and completed the proficiency in the lecture of the Fellowcraft degree. Please offer him your congratulations when you next see him.

On the evening of Saturday August 13, members of our lodge gathered for fellowship and participated in a Luau. After dinner, participants were treated to a group of Samba Dancers or "Passistas" clad in carnival garb who taught several of us how to dance to samba music. Many of us spent the balance of the evening dancing samba and other music genres.

Masonic Formation Classes were held on Monday, August 8th, 15th and 22nd.

On Wednesday August 10th our officers held a quarterly meeting and practiced the ritual of the second-degree conferral in preparation for the demonstration of the second section of the second

-degree during the August 17th DSOI. On that evening, Columbia Brotherhood Lodge No. 370 hosted the officers of California Lodge No. 1 and San Francisco Lodge No. 120 at the August meeting of the 141st District's district school of instruction (DSOI). In addition to our ritual demonstration, our inspector, WB Alan Nubla, shared the latest briefing from the California Grand Lodge.

On Wednesday, August 24 and 31, our officers' degree team practiced the third degree ritual in preparation for third degree conferrals planned for Brother Jose Martin Rivera and Brother William Arthur Nichols in September. On August 24, Brother Jack Lam presented himself to complete his proficiency in the Lecture of the Entered Apprentice Degree, and Brother Jod'I Cruz presented

Brethren

I hope you had enjoyed your meals from our stated meetings and sponsored events. I am striving to give you an enjoyable experience and trying to mix the flavors each month.

Please attend our stated meetings for the food and fellowship afterwards. Fellowship amongst members and visiting brethren is where masonry thrive. I hope to satisfy the brethrens palette during that

time.

As we all know, the culture of a Lodge is based on inter-personal communications, therefore we encourage any additional program that involves our ladies or veterans. If you have any suggestions, please let us know.

This month's exciting events should be attended by all brethren. The Past Master's ball should be an exciting and elegant event with excellent food and dancing.

The other exciting event is the annual picnic which our Brother Frank Pertierra has planned. It will be held at Lake Chabot in the Willow Picnic Area of the park. Food will be prepared by our brothers. So enjoy this month of fellowship and see you next month as we have lined up another fun month.

Thank you for letting me serve you

himself to complete his proficiency in the lecture of the Master Mason Degree, so the officers tiled the lodge to accommodate those proficiencies. Please congratulate Brothers Lam and Cruz when you next see them.

Our September stated meeting will take place on Wednesday, September 7 and it will be the first night of our toy drive. If you bring an unwrapped gift suitable for a child in our community, your dinner is free.

Our Grand Master Jeffery Wilkins has proclaimed September 2022 as public schools' month in support of our schools, students and teachers who

face new challenges resulting from the pandemic and subsequent funding gap. He calls on California Masons to aid and assist their local schools in any way possible. This can include tutoring or mentoring students, organizing lodge events for school ground improvements, donating to the California Masonic Foundation, or other actions which provide our students and school system much needed assistance,

The annual Masonic Night with the SF Giants is planned for if you or someone you know needs assistance proficiencies, please each out

to the senior warden or someone on the coaching staff. We look forward to working with any interested persons on developing their speculative masonry skills.

Finally, our picnic committee is working to identify a place and time for the family picnic. The details will be shared as soon as they are locked down.

May we always meet on the level,
James Gonzalez, SW

for membership. In changing a Rough Ashlar into a Perfect Ashlar, the craftsman takes away and never adds to. He chips and chisels. He cuts away the rough edges. He removes the visible flaws. He takes that which is already there and develops it into the Perfect Ashlar.

The stone from which the Venus de Milo was carved by Alexandros of Antioch of ancient times, lay since the beginning of time in the rocks of the Island Milo. A common, unknown workman cut a piece of marble from the quarry to construct her. But it took a master artisan to carve out the beautiful statue. It took a good piece of marble and a skilled artist to produce the Venus de Milo and she is revered even with all her imperfections.

There are not many of us in Masonry that can make a Perfect Ashlar. So, there are not many perfect Masons. We are all a work in progress. In our Ritualistic and other work, we can take away much of the roughness, remove the sharp points and obliterate

many of the visible defects. We can produce as good a Mason, as good a brother, as there is within our power to produce.

So, a Mason should treat his brother who may yet be a little rough; not with bitterness, nor with worldly indifference, nor with philosophic coldness; but with empathy, patience, and loving-kindness. It is our responsibility to call to his attention in the tenderest of manners the sharp points of his character. We must deal faithfully but tenderly, firmly but patiently with such issues.

What will we choose to be; a stumbling block or steppingstone in our Lodge; in our relationships with our Brothers? Are we willing to provide the support that's needed to raise a brother to the next step and remove a few more of the sharp points in the creation of the perfect Ashlar? To lift a brother is one of the highest and most ennobling acts within Freemasonry. By acting like Brothers only then will we be fulfilling our mission of taking good men and making them better. Masonry is most beautiful when use.

This month of September, Saturday the

10th is the Past Masters Dinner Dance at the Lake Merced golf Club. Come join us for some good food and great entertainment. The fun begins at 6:00pm. You don't want to miss it so be sure to call WB Danilo Daus for your reservations. cell 707-319-7963 or WB Ed Lim, cell 415-786-2996.
